Dear Sir:

After payment of the issue fee on May 24, 1999 for the above-captioned application based on small entity status, it was discovered that small entity status may have been established in error at the time of payment of the issue fee, and that the small entity issue fee may have been paid in error. An error, if any, was made in good faith and without fraudulent or deceptive intent, and resulted in failure to pay the issue fee based on large entity status. Immediately upon learning that claiming of small entity status may be inappropriate for the above-captioned application, this communication was prepared to notify the Office of the change in status and to pay the fee deficiency, pursuant to the provisions of 37 C.F.R. § 1.28(c). The deficiency in the amount of \$605.00, based on the amount of the fee in effect on this date, is being enclosed herewith.
